Jackson Safety Introduces New Flame Retardant Safety Vests

(St. Louis, MO, May 1, 2007) Jackson Safety, a manufacturer of welding and personal protective equipment, is excited to announce that their Road Warrior line of safety apparel is expanding with 3 brand new styles of Flame Retardant Safety Vests: Deluxe ANSI Class 3, Standard ANSI Class 2 and Economy Non-ANSI.

These new safety vests are made of a high-quality material and retroreflective tapes that are ideal for all lines of work including contractors, public works employees, utilities and transportation workers. The Economy Non-ANSI style vest is available in 2 sizes fit all for maximum size coverage and inventory management. The Deluxe ANSI CL3 vest has 4 pockets, 2 on the outside and 2 on the inside, and a zipper closure. Multiple pockets provide an added degree of convenience with additional storage for walkie-talkies, cell phones, etc. The Standard ANSI CL2 vest features a lime tricot material with silver reflective tape and a hook and loop closure.

These new Flame Retardant Safety Vests meet NFPA 701 standards and are available in a variety of sizes.
