Jackson Safety Introduces a New Safety Spectacle – OTG

(St. Louis, MO, May 1, 2007) Jackson Safety, a manufacturer of welding and personal protective equipment, is excited to introduce the newest innovation in safety spectacles, the OTG, Over The Glass!

The new OTG, Over The Glass, features an ultra-comfortable fit that is ideal for extended wear. Integral side shield protection provides an added degree of protection and a base curve of 4. These stylish spectacles fit comfortably over most prescription eyewear and prevent any interference with vision impairments.

The OTG is available in 3 lens styles that all feature an anti-fog coating: Clear, Smoke Mirror and Indoor/Outdoor. This spectacle provides 99.9% UV protection meets ANSI Z87.1 and CSA Z94.3 standards.
