SAFETY

Be Smart. Be Safe. Be Sure.

## The World's Greatest Ratcheting Headgear System—Period!

Our patented Jackson Safety<sup>®</sup> 370 Speed Dial<sup>™</sup> offers the fastest, easiest, and most efficient ratcheting headgear system in the industry today! The 370 Speed Dial<sup>™</sup> incorporates two unique designs—an oversized ratcheting adjuster knob, and a patented “quick-fit” rear headband that swivels up and down. Together, these two features combine to achieve a perfect fit every time, increasing safety, productivity and satisfaction. Try any of our industry-leading Jackson Safety<sup>®</sup> products that incorporate our famous 370 Speed Dial<sup>™</sup> and experience the difference yourself!

# 370<sup>™</sup>

## SPEED DIAL

Engineered detents lock equipment in the up and down position and eliminate “creep”

Three-position slider adjusts distance of the lens from our eyes for precise vision

“Easy Grip-Easy Turn” rotation allows instant loosening and tightening of the headgear

Fine tooth ratcheting mechanism guarantees a more precise fit without overtightening

Patented “quick-fit” rear swivel headband quickly adjusts the suspension gear to the user’s head for superior comfort

Oversized soft rubber adjuster dial is easy to find and grab even when wearing gloves

Easy to adjust pin-lock upper adjustment band allows proper positioning of equipment

Extra wide replaceable fabric sweatband for maximum comfort and convenience

Lock-nut feature keeps components intact even when the bracket is loosened
